DETAILED ACTION

Allowable Subject Matter

Claims 1 – 7 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the prior art does not teach or render obvious the total combination as claimed including for example, a stamp having a housing, a handle and a character unit pivotally mounted on the distal end of the bar, the character unit having a pivot pin provided at a back surface and inserted through the pivoting part, a torsional spring provided on the pivot pin, a character plate provided at a front surface of the character unit and an ink pad pivotally mounted at a distal end of the bar by a first pivot pin, the character unit having a first torsion spring provided outside the first pivot pin and a character plate formed at a front surface on the character unit opposite to the first pivot pin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
